### WABASH COMPANY GETS CONTRACT

Secures Poland's Order for \$4,000,000 of Motor Trucks.

CHICAGO, Jan. 23.—R. E. Taylor, special representative of the Service Motor Truck Co. of Indiana, arrived here Monday from abroad and announced he had negotiated a \$4,000,000 contract with Poland to supply motor trucks, ambulances, tires, machinery and raw materials. He asserted it was "perhaps the greatest peace time contract so far made by American concerns with a foreign government."

He said that \$1,000,000 of the \$4,000,000 in new business goes to the Service Motor Truck Co. of Indiana, located at Wabash, Ind., and about \$1,000,000 each to both the Goodyear Tire & Rubber Co. and the Firestone Tire & Rubber Co. The rest of the business, he said, would go to other companies best suited to manufacture the goods wanted by Poland.

Shipments aggregating \$700,000 from these factories started two weeks ago on his cable order, he said.

A group of Chicago bankers set up the financial machinery to make possible the deal, he declared. He said they have accepted six-year, eight per cent gold treasury notes payable in United States gold.

As he attempted to strike one of the men, the other shot McCarty in the right arm, about the elbow. The other also fired, hitting him in almost the same spot and a third bullet went through the fleshy part of the thigh.
